## ABOUT THE THEATRE AND THE PLAY

PURDUE'S CAMPUS is located in West Lafayette, Indiana, across the Wabash River from Lafayette. The combined population of the twin cities is in excess of 52,000.

Four Railroads, the New York Central, Nickel Plate, Monon and Wabash, provide intercity transportation for Greater Lafayette as well as major bus lines and a commercial airline operating out of the 300 acre Purdue University airport. U.S. Highway 52 passess through Lafayette as do State Roads 25, 26, 43, and 38. Purdue is 60 miles northwest of Indianapolis and 126 miles southeast of Chicago, second largest city in the nation. There is, then, no excuse for not getting there!

PURDUE MEMORIAL UNION BUILDING, the scene of several of this year's convention activities, is situated on the southeast corner of the campus. One of the outstanding operations of its kind in the nation, PMU includes under one roof two huge cafeterias, a sweet shop, a residential club with rooms for 115 overnight guests, fifteen ultra-modern bowling alleys, browsing room, a music room and complete record library, ten darkrooms, barber shop, lounges, twin ballrooms, several private dining rooms, offices and many other rooms and services too numerous to set down here. This place alone makes a trip to Purdue worthwhile!

HALL OF MUSIC, the largest theatre of its kind in the world, seats 6,146 people and has been host to hundreds of the finest performers in the musical and theatrical world. Saturday's tour will include this—don't miss it!

RECREATION in all its forms has been made available to all Alpha Chi's who find time hanging heavily on their hands. Golfers will be glad to know that Purdue's two courses will be open; its famous South Course included. Sixteen tennis courts, the Fieldhouse Pool, basketball courts, volleyball facilities and just about every conceivable athletic device are to be placed at the disposal of this year's Crow crop.

DON'T MISS the trip (by chartered bus) to the David Ross Summer Home "The Hills." Here our stag party and smoker will be held on Friday night, about 15 miles outside of town at one of the scenic spots of the State. Fish and Chicken Fry, Corn on the cob, stories, drinks, smokes—you comin'?

DON'T MISS the Picnic on the lawn of "Westwood," Dr. R. B. Stewart's beautiful country estate. That's Saturday you know.

THIS IS THE MOST COMPLETE AND ALL-INCLUSIVE NATIONAL CONVENTION IN THE HISTORY OF AXP—AND THE COSTS HAVE BEEN SHAVED TO THE BONE. MAKE YOUR RESERVATIONS NOW. PLEASE SEND REGISTRATION FEE IF POSSIBLE.
